C. area on Thursday, 29 June, and wanted to know if we could arrange an employment interview in the afternoon for him. ✓ 27. [REDACTED] LIAISON Received requests for the unclassified Agency publication Estimated Soviet Defense Spending: Trends and Prospects from Seymour Shwiler, House Armed Services Committee staff, and Hans Binnendijk, Senate Foreign Relations Committee staff. After checking with NFAC/CSS, I advised each of them that a copy of the paper had been sent to their Committee with our daily package. Both staffers requested the classified version and I advised them that it would be completed in about three weeks, at which time we would be pleased to send their Committee a copy. (I also provided to Forrest Frank, House International Relations Committee staff, two additional copies of the paper.)
